The Journey of Jacob

We would like to callout the exceptional work of the Retail Students' Association (RSA) for their support for this for a very special fundraising event for Jacob on September 19th, 2012.

The event Journey of Jacob was in help to support raise funds for Jacob the son of Larissa Dilay, a professor from the Retail Program. The funds raised were graciously matched by the Ryerson Commerce Society (RCS) and the grand total raised was \$8857.88.

The President of the RSA, Kendra Fobert and her team organized an amazing event to help raise donations to help support Jacob. Congratulations on a job well done and keep up the great work & studies. Follow on Twitter @RyersonRSA
